- Backing fabric – half a metre to one metre
- Machine quilting/embroidery threads in colours to match your fabrics.
- Machine needles to suit your threads

Sewing machines will be provided by sponsor companies so you don't need to bring your own. A technical assistant from that company will be available to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may, but please ensure it is well maintained and that you bring the instruction manual, tools and accessories. Also, bring your 1/4" foot, open-toed embroidery foot, free-machine quilting/embroidery foot.

To complete the project at home (not required for class) you will need:

- Finishing materials, depending on the individual project.

Suggestions: Please make sure you label everything with your name.

- We also recommend bringing a cushion in case your chair doesn't suit your height
- A water bottle helps you stay hydrated
- Don't forget to bring your glasses
