Fabric

Background

0.5metre of dark coloured Batik fabric. This can be black or a dark purple/black or blue/black, teal/black etc. The dark batik can be plain or marbled.

6-8 fat quarters or fat eighths of fabric that work well together. You will need textured fabric for a wall, old doors, pavement, archway etc. Batiks, Stonehenge, hand dyes work well.

Batting

- 40 x 50 cm – thin iron on batting would be a good choice

Backing Fabric

- 40 x 50 cm

Note – If you have a light box and you are travelling by car you might like to bring this with you.

The tutor will have some suitable hand dyed fabric for sale.

If you need any more information please email Gloria at loughman@iinet.net.au

Sewing machines will be provided by sponsor companies so you don't need to bring your own. A technical assistant from that company will be available to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may, but please ensure it is well maintained and that you bring the instruction manual, tools and accessories. Also, bring your 1/4" foot and walking foot. An open toed embroidery foot would also be very useful.

Suggestions: Please make sure you label everything with your name.

- We also recommend bringing a cushion in case your chair doesn't suit your height
- A water bottle helps you stay hydrated
- Don't forget to bring your glasses
