- Low volume fabrics (small amounts). These are fabrics that 'read' as light fabrics but at the same time have a secondary pattern or design. Just one of these fabrics can be used as the background for a quilt or many can be combined eg. layer cake, jelly roll, themed prints, pale spot, check, stripe fabrics. Also some scraps of solid fabric. Choose a colour group eg. greys, or perhaps your favourite colours – to be found in your scrap bag
- Fat quarters: 10-20 of your favourite solid fabrics eg. bright and paler tones

Sewing machines will be provided by sponsor companies so you don't need to bring your own. A technical assistant from that company will be available to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may, but please ensure it is well maintained and that you bring the instruction manual, tools and accessories.

Suggestions: Please make sure you label everything with your name.

- We also recommend bringing a cushion in case your chair doesn't suit your height
- A water bottle helps you stay hydrated
- Don't forget to bring your glasses
