A technical assistant from that company will be available to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may, but please ensure it is well maintained and that you bring the instruction manual, tools and accessories.

To complete the project at home (not required for class) you will need:

- 3.4m backing fabric
- 1.7m of 240cm-wide batting

Suggestions: Please make sure you label everything with your name.

- We also recommend bringing a cushion in case your chair doesn't suit your height
- A water bottle helps you stay hydrated
