Fabrics

Bring a range of fabrics that have a variation in pattern and value. A suggestion is to choose two or three colours that work well together and then select fabrics making sure you include some lights, mediums and darks.

Another starting place is to choose a fabric you like then add other fabrics that blend with this.

- Remember you need at least one highlight fabric – something that will stand out and provide some contrast. The tutor will have hand-dyed fabrics available so you will not be left short. A few fat quarters or quarter yards plus some smaller pieces will be fine.
- Only if you are a very fast worker: 50cm by 70cm batting and backing fabric

If you need any more information please email Gloria at loughman@iinet.net.au

Requirements to complete the project (at home):

Fabric for borders, batting and backing fabric

Sewing machines will be provided by sponsor companies so you don't need to bring your own. A technical assistant from that company will be available to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may, but please ensure it is well maintained and that you bring the instruction manual, tools and accessories.

Suggestions: Please make sure you label everything with your name.

- We also recommend bringing a cushion in case your chair doesn't suit your height
- A water bottle helps you stay hydrated
- Don't forget to bring your glasses
