

## CLASS REQUIREMENTS

### Class: Townscapes

Dates: Sunday April 8, 2018

Times: 9am – 5pm

Tutor: Gillian Travis

**Materials cost:** nil

#### You must bring along the following:

- A source photograph of a favourite townscape, a front view photo always works best
- An iPad or similar would be useful but not essential
- Paper scissors and fabric scissors, small 4 inch scissors are best for cutting tiny pieces of fabric
- Pencil, fine black pen
- Fine cotton patchwork fabric in the chosen townscape colours, students might like to look at the source picture and try matching the colours, however they could also be changed
- A piece of blue fabric for the sky, no bigger than A4 or A3
- A piece of dark grey fabric for windows and white for window frames
- HeatnBond Lite (the tutor prefers this to Bondaweb, it's better for cutting small pieces)
- Backing cloth, eg plain white fabric (no bigger than A3) this is to place the finished appliqué
- A small iron and ironing pad would be useful but not essential (irons will be provided to share in class)
- A portable light box would be useful but not essential (light box will be provided to share in class)

**Requirements to complete the project (at home):** wadding, backing fabric, binding.

**Sewing machines** will be provided by sponsor companies so you don't need to bring your own. A technical assistant from that company will be available to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may, but please ensure it is well maintained and that you bring the instruction manual, tools and accessories.

**Suggestions:** Please make sure you label everything with your name.

- We also recommend bringing a cushion in case your chair doesn't suit your height
- A water bottle helps you stay hydrated
- Don't forget to bring your glasses
