If you need any more information please email Valerie at valeriegoodwin@comcast.net

Sewing machines will be provided by sponsor companies so you don't need to bring your own. A technical assistant from that company will be available to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may, but please ensure it is well maintained and that you bring the instruction manual, tools and accessories, **and free motion foot**.

Suggestions:

- We also recommend bringing a cushion in case your chair doesn't suit your height.
- Bring your glasses, water bottle and label your belongings.
