Move In

- All Exhibitors must be completed set up by 8:00pm, Wednesday, April 4. No Noise is to be made after 5:30pm as there is a cocktail function for delegates on level 1. It is vitally important that these finish times are strictly adhered to, to allow cleaners sufficient time to prepare the venue for the event opening. Work outside this time may incur a cleaning surcharge.

Please Note:

All parties working within the venue (halls and loading dock) during the move in and move out of the event are required to wear a fluro safety vest and enclosed shoes at all times. Any exhibitor, contractor, subcontractor, staff or volunteer who is not wearing a safety vest will not be permitted entry. Safety vests are for sale in the Service forms or onsite at the Help Desk.

NO CHILDREN under the age of 15 are allowed onsite during the move in and move out period

Move Out

Goods not removed may be deemed rubbish and thrown out or removed by the appointed freight forwarder and all costs associated will be invoiced to the exhibiting company.
- Dismantling of stands must not commence prior to the close of the exhibition. The organizer will advise exhibitors when the venue is cleared of the public and deemed a safe work environment.

Exhibitor goods which are not picked up within the specified time are subject to additional security and rubbish removal costs. These additional charges will be invoices to the exhibitor responsible.
