

WHY EXHIBIT?

The Australasian Quilt Convention is Australia's largest event dedicated specifically to quilting. This annual gathering presents quilters with opportunities to be involved on a number of levels.

Exhibitions are the only platforms that put you face to face with thousands of qualified customers, giving you greater influence in their decision-making process and the opportunity to show your company's benefits.

Exhibitions are the most cost effective and time efficient method for marketing your products and services, offering a personal and interactive environment to meet potential customers.

Exhibitions are:

- A cost effective, focused environment for you to connect with new buyers and develop relationships with existing customers
- A proven formula to market sell and promote your products and services to mass numbers of qualified buyers.
- The opportunity to gain instant feedback and insight into the needs of your customers
- A unique way to generate leads and create a database of potential customers for future marketing
- The perfect launch platform for new products and services
- The source of a qualified audience that has passed a stringent set of guidelines in order to attend.
