Materials OR kit supplied by tutor: \$5 for the pattern and wire

REQUIREMENTS TO COMPLETE THE PROJECT (at home):

- It is unlikely that students will make a bunch of flowers in a day. Students usually complete one flower, and many go on to make part of a second flower. They are much quicker to make once the techniques become more familiar

Sewing machines will be provided by sponsor companies so you don't need to bring your own. A technical assistant from that company will be available to assist any students who are unfamiliar with that machine. **If you prefer to bring your own sewing machine**, you may, but please ensure it is well maintained and that you bring the instruction manual, tools and accessories.

Suggestions: Please make sure you label everything with your name.

- We also recommend bringing a cushion in case your chair doesn't suit your height
- A water bottle helps you stay hydrated
- Don't forget to bring your glasses
